## YOGA DAY

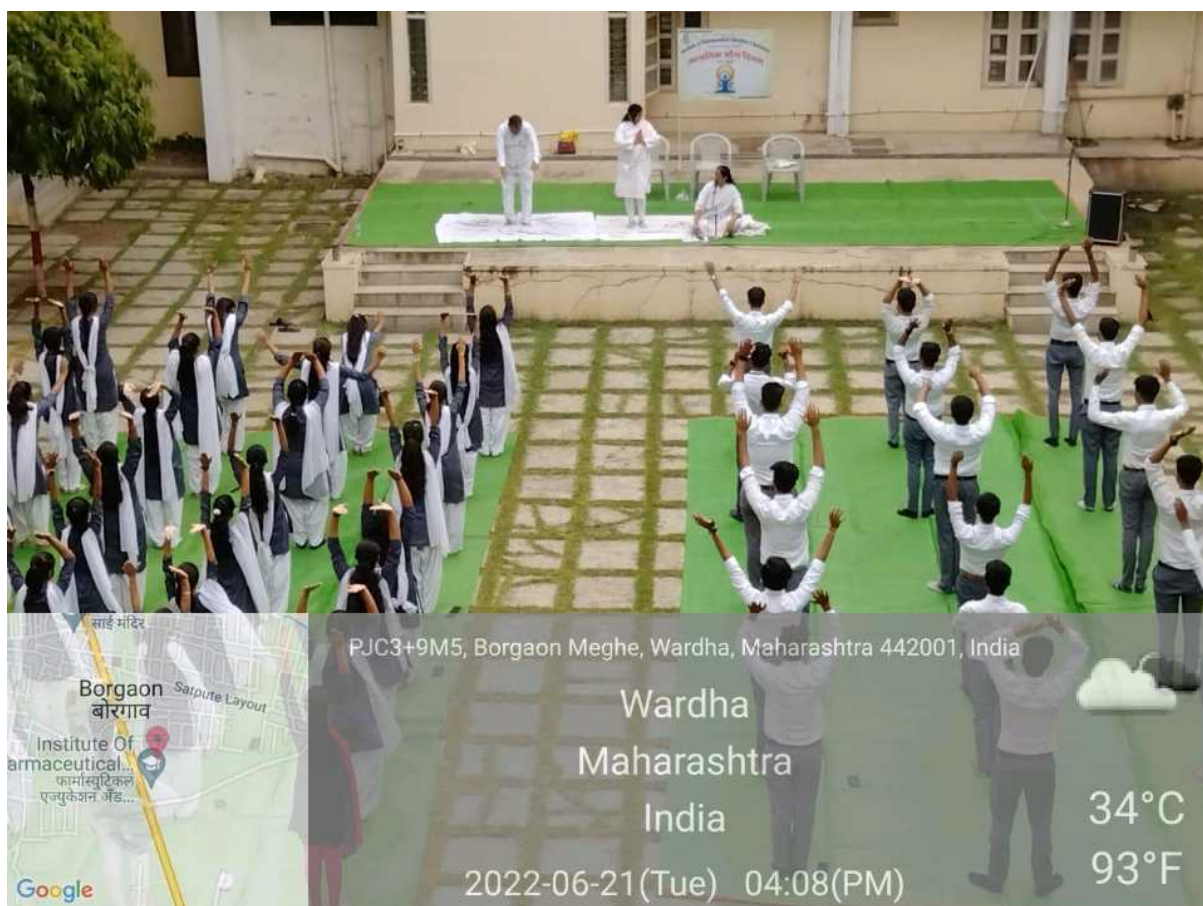

2022 International Day of Yoga, to be observed today, i.e. Monday (June 21), carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19) pandemic. The Covid-19 plight was not just a physical crisis; it also left lasting impacts on mental health, with many left in psychological suffering, depression, and anxiety dealing with the pandemic-necessitated restrictions and loss. Yoga can come to the help of people dealing with such crises, the United Nations explained on its website since the message of the practice is to promote both physical and mental health.

National Service Scheme (NSS) unit of Institute of Pharmaceutical Education and Research, Borgaon (Meghe), Wardha celebrated International Yoga Day on 21st June, 2022 at 3.30 pm to 5.00 pm. Camp was organised in the institute in association with Patanjali Yoga Centre, Wardha. On the occasion Dr. Vandanatai Ughade (Senior Yoga Teacher) and Ms. Radhatai Ghatole (Yoga teacher), Patanjali demonstrated the different Yoga Positions. The camp was attended by 49 students of B. Pharm and M. Pharm, teaching and non-teaching staff of the institute.

## TREE PLANTATION

Trees beautify our surroundings, produce oxygen, absorb pollutants, sequester greenhouse gases, regulate temperature and prevent soil erosion, besides acting as wind barriers. They are grown for their aesthetic value in landscapes and or economic importance. The Indian tree flora diversity ranks 10th in the world and comprises of nearly 2000 species belonging to about 800 genera and 150 families of flowering plants, which includes majority of the cultivated and exotic species. With the increase in population, rapid expansion of area under food and commercial crops, deforestation, extension of urban area, establishment of industries in rural areas and other factors, there is considerable depletion of genetic wealth, many of them being in the verge of extinction. The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Tree Plantation" programme on 01st Oct 2022 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and NSS student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, 45 students of B. Pharm and M. Pharm participated in Tree Plantation.

## BLOOD DONATION CAMP

The purpose to organize a blood donation camp is to motivate people to donate blood and social works. The purpose of blood donation camp to select a suitable donor whose blood will be safe to the recipient and who himself shall not in any way be harmed by blood donation. Organization of blood donation camp should be best and safe to the patient/recipients and to the blood donor. Talk about the need of blood, shortage of blood, ease of donation and myth about blood donation to the public.

Blood donation and blood group detection camp was organized on 2<sup>nd</sup> Jan 2023. Dr. R. O. Ganjiwale, Principal was the president of programme. Team of experts from Datta Meghe Institute of Medical Sciences, Sawangi(Meghe), Wardha was present on the occasion. About 30 students of the institute donated blood. ## **CLOTH DISTRIBUTION PROGRAM**

A cloth distribution program is a social initiative aimed at providing clothing items to people in need. The program may be organized by a government agency, a non-profit organization, or a community group. Its goal is to distribute clothes to individuals or families who cannot afford to purchase new garments or who have been affected by natural disasters, economic hardships, or other life circumstances. The program may involve collecting donations of clothing items from individuals or businesses, sorting and organizing them, and distributing them through various channels such as shelters, community centers, or mobile distribution events. A cloth distribution program is an important way to help those in need, providing them with basic necessities and helping to promote their well-being and dignity.

The National Service Scheme (NSS) Unit of Institute of Pharmaceutical Education and Wardha organized "Cloth Distribution Program" programme on 01st March 2023 in the college premises. It was attended by Dr. R. O. Ganjiwale, Principal; Dr. N. A. Karande, NSS Programme Coordinator; and NSS student volunteers. Under the Guidance of Asst. Prof. Dr. N. A. Karande, NSS Program Coordinator, 42 students of B. Pharm and M. Pharm participated in Cloth Distribution Program.
