

'Through PM, centre's efforts Marathi received status of Classical Language'

■ District Correspondent

RDHA, Jan 2

"FOR many years, people have tried to get the Marathi language the status of a classical language, but that fight has bore fruits only recently. Finally, the Prime Minister of India Narendra Modi, formed a committee and ordered that committee for the same. Finally, the committee submitted the report and immediately the Prime Minister passed the bill in the Lok Sabha to give Marathi a status of Classical Language. Now, Marathi language will be recognised as a classical language and we, all wholeheartedly welcome this decision," said Mohan Mohite, Maharashtra State Model Teacher awardee while speaking at the inauguration ceremony of the event held at Satyashram Hall Bargaon Meghe to honour the decision of Central Government, the other day.

The event was jointly organised by Godavari Mohite

Multipurpose Educational Institution and St Thomas English School. The programme began with the guest worshipping the image of Swami Satyabhakta Maharaj, a veteran writer who has written over 150 books. The programme was chaired by Imran Rahi, a senior writer.

Keynote Speakers Rajendraji Ganjiwale Principal Pharmacy College Bargaon Meghe, Sanjay Rao Bhasme Principal Late Anandrao Meghe School and Junior College, Preeti Vijay Satyam Principal St Thomas English School, Vijay Satyam Secretary, Satyeshwar Mandal, Narendra Deshmukh President of Voice of India, Wardha and Mohanji Mohite.

Speaking further, Mohite expressed his gratitude to Narendra Modi, about the decision. "But now every student should know Marathi language, This language is 2500 years old and now the promotion and spread of Marathi language will

Dignitaries and staff of St Thomas School at the event.

gain momentum," he added.

In his presidential speech, Imran Rahi Speaking from the chair, the President said that India is a country with diverse languages and cultures, a country that preserves unity and integrity with the spirit of Indianness. He expressed the opinion that Modiji has won the hearts of Marathi speakers by giving the status of a classical language to Marathi. Shraddha Sant conducted the programme and also proposed a vote of thanks.

The teachers, students and other staff of St Thomas English School, took efforts for success of the programme. Sandeep Joshi, Dixit, Vaibhav Sakharkar, Dr Abhay Mohite, Meenali Nirvana, Bhavana, Neelam Rangari, Shubham Mohite, Prashant Raut, Shubhangi Raut, Sanchali Bhalme, Mayuri Chavan, Rupali Kharkade, Rizwan Sheikh, Prachi Bhoir, Dipali Shirsagar, Ashwint Gurumule, Sonal Joshi, Aparna Dafia, Bansod, Dhadse and Sake, were present.

Shivaji Maharaj Jayanti celebrated in IPER

■ District Correspondent

WARDHA, Feb 26

LIBRARY Department and M Pharm students from Institute of Pharmaceutical Education and Research, Borgaon Meghe, Wardha jointly organised a grand Shiv Janmotsava, recently.

The programme was inaugurated by praying and offering flowers to the idol of Chhatrapati Shivaji Maharaj. Principal of the institute Dr RO Ganjiwale, Principal IDP Dr BS Sathe and Dr LG Rathi were the chief guests.

A palanquin procession of Maharaj was taken out to the tune of dhols and lezims, on this occasion.

The students and teacher played the roles of Maharaj, Saibai and Jijamata. The staff member Prajwal Pahade, Sakshi Tupkar and Tanaya Giri played the roles of Chhatrapati Shivaji Maharaj, Saibai and Rajmata Jijabai respectively.

Principal of the institute Dr RO Ganjiwale in his speech highlighted the life history and bravery of Chhatrapati Shivaji Maharaj and also threw light on some of the

Students and faculty members from IPER dressed as Chhatrapati Shivaji Maharaj, Saibai and Rajmata Jijabai.

special aspects about his personality to the students.

He urged them to adopt the qualities of Shivaji Maharaj in day-to-day life. Sathe, on the other hand, guided the students on this occasion. Library Department of

the institute, M Pharm students and faculty members AJ Deshmukh, SP Dewani and others took special efforts for the success of the programme.

The programme was attended by all teaching, non-teaching staff and students from the college.

e-National Conference on Metabolomics held at IPER

■ **District Correspondent**
WARDHA, May 8

VIDARBHA Youth Welfare Society's Institute of Pharmaceutical Education and Research (IPER) successfully hosted a two-day E-National Conference on Metabolomics. The event was sponsored by the Maharashtra State branch of the Association of Pharmaceutical Teachers of India (MS APTI).

The conference was inaugurated with blessings of Dr Nitin Dhande Saheb, President, VYWS. The formal inauguration was carried out by Dr Rajendra Ganjiwale, Principal, IPER. The inaugural ceremony was conducted by Dr Manisha Puranik, Chief Coordinator of the conference. The first day featured a compelling keynote address by Professor and Dean Dr Shyam Kumar Masakapalli, from School of Bioscience and Bioengineering, IIT, Mandi, HP, who elaborated on the extensive work in metabolomics conducted in his research lab.

This was followed by the first plenary session, delivered by Dr Kanhaiya Kumar, Senior Scientist, Fermentation & Microbial Biotechnology, CSIR-IIIM, Jammu, who presented insights on the application of metabolomics in fermentation processes.

The second day began with an engaging lecture by Dr Dadasaheb Kokare, Professor at the University Department of

Pharmaceutical Sciences, RTM-NU, Nagpur, who focused on Neuro Metabolomics, a decade-old emerging field. The final plenary session was delivered by Dr Sayeed Ahmad, Director, Centre of Excellence in Unani Medicine and Professor, School of

Pharmaceutical Education and Research, Jamia Hamdard, New Delhi, who shared his expertise on the application of metabolomics in validating traditional claims of AYUSH medicines.

The conference concluded with a valedictory address by Dr Rajendra

Ganjiwale, Principal of IPER. The event witnessed enthusiastic participation from 171 delegates across India, marking it as a significant platform for academic exchange and research dialogue in the field of metabolomics.

The organising committee, led by Chief Coordinator Dr Manisha Puranik and IQAC Coordinator Dr Dilesh Singhavi, along with Moderators Dr L G Rathi, Dr Nilesh Karande and Girish Dahikar expressed their gratitude to all distinguished speakers, participants, and supporters for their invaluable contributions to ward the success of the event. The smooth execution of the conference was further ensured by the dedicated efforts of the technical support team comprising Sunil Dewani and Abhiram Deshmukh, and the logistic support team of Shital Tiple and Yogita Mude.

IPER holds students' induction programme

■ District Correspondent

WARDHA, Nov 15

INSTITUTE of Pharmaceutical Education at Research, Borgaon (Meghe), Wardha, organised 6-days Student Induction Programme (SIP) for B Pharm and M Pharm First year students, recently.

The SIP at IPER is organised every year for the students admitted to B Pharm course. The Programme was inaugurated by Dr Rajendra Ganjiwale, Principal, IPER, Dr Shagufta Khan, and Sadhana Gautam. Dr Ganjiwale emphasised the role of education, human values and professional ethics during their 4-year curriculum and in their career. On the first day of the SIP, the students were made aware of the rules, regulations, system and details of the course the students are going to cover during the four-years and 2-years span respectively. From second day onwards, Sunil

Students of IPER present at the induction programme.

Dewani made the students aware with Universal Human Values and Professional Ethics. During the SIP students were taught about Understanding harmony in the human being, family, society and nature, and implications of the holistic understanding of harmony on professional ethics. To conclude the SIP, a field visit to the Orphanage and Old age home,

at Arambh Bahu Uddeshiya Sanstha, Sevashram, Sindi (Meghe), Wardha was organised. The children and old age individuals were donated with essential stationary, books, commodities for daily use, and sweets.

Tayyabi Ali, Rutuja Rane and Sunil Dewani suggested the students to always extend a helping hand towards this needy

section of the society.

The students were appealed to always have a sense of donating nature towards such unprivileged individuals. Around 20 students were present during the field visit.

The visit was arranged as a collective effort by the students of B Pharm and M Pharm 1st year, and the staff of the institute.

IPER students win 1st prize in 'Avishkar' competition

The project was based on 'An Assistive Medicine Instruction Pouch for Visually, Hearing and Literacy Impaired and Chronically ill Individuals for Independent Medicine use'

■ **District Correspondent**

WARDHA, Dec 21

STUDENTS of the Institute of Pharmaceutical Education and Research (IPER), Borgaon (Meghe), Wardha, has secured first prize at the 'Avishkar' Research Competition organised by Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU), Nagpur, in the Medicine and Pharmacy category.

B Pharm Final Year students Sejal Chopane and Sayali Gaware, represented IPER, Wardha, and achieved this remarkable success through their dedicated research work 'An Assistive Medicine Instruction Pouch for

Visually, Hearing and Literacy Impaired and Chronically ill Individuals for Independent Medicine use'. The trial selection was held at Dharampeth Science College, Nagpur, and the final round took place at Anjuman Engineering College, Nagpur. The prize was awarded by the hands of Vice-Chancellor RTMNU, Dr Manali Kshirsagar, in the presence of Dr Sanjay Dhoble and Dr Prakash Itankar, Dr Ambekar and Dr Vijay Khandal. Dr R-O Ganjiwale, Principal, IPER, Wardha, appreciated the sincere efforts and commitment of the students and their guide. The project was successfully carried out under the guidance of Dr D M Awari.

This achievement reflects the strong research culture, academic excellence, and innovative approach of IPER, Wardha. Dr Gandhare and Sadhna Gautam served as in-charges for the 'Avishkar' Competition. The team has now qualified for the next level of the 'Avishkar' Competition at Parbhani in January.
